Deconcentration Rule for Public Housing

1. Objective: The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the housing authority is to house no less than 40% of its public housing inventory with families that have below 30% of the area median income by public housing development. Also the housing authority will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the housing authority does not concentrate families with higher income levels, it is the goal of the housing authority not to house more that 60% of its units in any one development with families whose income exceeds 30% of the area median income. The housing authority will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the housing authorities computer system.
2. Actions: To accomplish deconcentration goals, the housing authority will take the following action: At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous housing authority fiscal year.
3. To Accomplish the goals of :
 - a. Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median, and

Not housing families with incomes that exceed 30% of the area median income in development with incomes that exceed 30% of the area median income. The housing authority's Tenant Selection and Assignment Plan, which is a part of this policy, provides for skipping families on the waiting list to accomplish these goals.

<p>ATTN: Anita Johnson</p> <p>Re: Request of PFS Waiver</p>	
<p>Dear Ms. Johnson:</p> <p>Pursuant to our 4-6-05 conversation, I am requesting a three year waiver of the Performance Funding System (PFS) for a one bedroom unit in our AL065-3 development, Westside Apartments. If approved, this unit will be leased to an active duty police officer with the Russellville Police Department.</p>	
<p>This police officer's residence, if approved, will be used in conjunction with our other efforts to control drug and other illegal activities in that development, and to promote economic self-sufficiency and anti-drug programs. This will be the only unit in Westside being used for non-resident purposes.</p> <p>We will assign a specific unit for this purpose and advise you accordingly upon notification of your approval of this request.</p>	
<p>We are faxing this letter to you per your instructions, and will mail the hard copy today. Please feel free to contact me with any questions or comments pertaining to this request. Thank you for your assistance.</p>
